

Mind the Gap: Aid Provision to Iraqi and Syrian Refugees in Jordan

Juliana Cosenza Villanova University Class of 2021

Department of Global Interdisciplinary Studies and Arab & Islamic Studies

Research Question:

- ❖ *Why do provisional gaps in refugee assistance towards Iraqi and Syrian refugees exist?*

What are provisional gaps?

- ❖ *Provisional gaps: the lack of rights and resources inherent to citizens with which the host state is able to grant refugee individuals*

Methods:

Actor-Based Analysis

- ❖ *Governmental Sector (GOJ & Hashemite regime)*
- ❖ *Humanitarian Sector (domestic & international NGOs)*

Sources:

- ❖ *Academic literature, journal articles, interview excerpts from individuals within Jordan's governmental & humanitarian sectors*

Conclusions:

- ❖ *Inaction from the governmental and humanitarian sectors causes provisional gaps to exist and persist throughout Jordan's refugee response*
- ❖ *Provisional gaps deter the implementation of more sustainable solutions to Jordan's refugee crisis*

Implications:

- ❖ *What do provisional gaps mean for the future of protracted refugees in Jordan?*
